

TRY AND BUY PROMOTION

Try up to 3 months of the DriveCam safety program at a reduced cost of \$39 per vehicle.*

Lytx DriveCam® safety programs are designed to help you identify, prioritize, and correct unsafe driving behaviors before they lead to collisions. Even better, for a limited time, you can protect your fleet for less.*

THIS PROMOTION INCLUDES:

- Use of DriveCam® event recorders in 10 to 40 vehicles
- Access to the DriveCam Online® coaching tool
- Online training for up to four people
- Onboarding support

*This is a limited time promotion only valid for new Lytx clients. To qualify for this promotion, a fleet must have at least fifteen vehicles and install DriveCam event recorders in a minimum of ten vehicles. The trial can run for a maximum of three months. Cost for monthly service during the trial period is \$39.00 per month. After three months you can pay the standard equipment, installation and service charges to continue the program or return the trial equipment. Any unreturned trial equipment must be purchased by client. Promotional offer good through June 30, 2018. Cannot be combined with other offers.
